## Reporter At Large

He's indeed a well-rounded man... not just heavy, but sharp, reliable and a hell of a nice guy. Tabloid journalist Gottfried Engel might have the weight of a rhino, but he's got the balance of a bird and a heart of gold.

Exactly what you need when your beat is Hamburg's famous red light district, St. Pauli. When a crime takes place, Gottfried, always sniffing the air for the next big scoop, is there in a flash. He's not just a reporter though.

He also plays detective, and this time our heavyweight hero faces the challenges of camping and assuming the role of a dockworker in his latest investigation...
