## That's Life II

"That's Life" returns for a second season to the world of "Kerima Moda" - a world full of love, stormy intrigues and hip style.

After Lisa leaves the Kerima fashion house her half-brother Bruno arrives in the big city, making a huge splash with his fresh and zesty love of life.

Bruno is a charming slob who attracts women as if by magic. When Bruno discovers his father isn't his real dad after all he heads straight to Berlin... where he not only locates his real father, but discovers true love and even more important... his proper place in life.

The young fashion designer Nora, who is married to the personnel manager Sven, can't stand Bruno at first - it's really a case of hate at first sight. It's only a matter of time though,

before she finds herself unable to resist his charm. Sven is very wealthy, has perfect manners, is sporty and athletic and ambitious in his job... a nearly perfect husband. After Bruno shows up and captures Nora's attention, Sven not only starts getting nervous, but also comes close to throwing a fit.

And then there is Paolo, Nora's older brother, who is madly career-driven and obsessed with power. He's willing to do almost anything to stay on the winning team. His ultimate goal is not only to take over complete control of "Kerima Moda", he wants to have the power over his sister Nora that such control would bring. His first move is to team up with Sophie, whose ambition is to become as powerful within the company as she possibly can... by whatever devious means she finds necessary.

## That's Life II

Always jealously guarding her position, Sophie is often compelled to scheme against Friedrich, Kerima's founder, but luckily he can always count on Nora and his new assistant Bruno when the need arises...

Another new face at "Kerima Moda" is Doreen, who works at the reception desk - a hot blonde with blue eyes and a figure to die for.

Back by popular demand for a fresh and exciting new season... That's Life!
