## Dreams Do Come True

In the heart warming new television show "Dreams Do Come True", lucky children get their greatest wishes fulfilled.

No matter what those wishes are - whether a young boy burns with the desire to drive a high-speed locomotive train or to feed lions at the zoo, or a little girl longs to pursue her passion for motocross racing or dreams of reuniting with her friend who lives thousands of miles away - the host helps the kids to achieve their most heartfelt yearnings. For the kids, as well as their families, the joyful delight of living a dream come true is accompanied by a huge outpouring of heart-rending emotion and sentiment.

The stories are sometimes funny and cool,

sometimes surprising and very moving, and they always have a happy ending. "Dreams Do Come True" is an unforgettable experience for both young and old! In each episode, recorded segments feature children being surprised by the host and a camera team, then being accompanied by the cameras as they get to live out their greatest dream - whether it is being reunited with the father they haven't seen for over a year or getting to dress up as a real princess for a day and ride into the studio in a carriage. In the meantime, other lucky kids are being treated to a huge surprise directly in the TV studio.

Via email, parents or friends ask for help in fulfilling the big dreams of their little kids.

The six children that are selected for the show are kids with an emotionally overpowering desire, such as the girl who terribly misses her foster brother from Congo, whom she hasn't seen in years. Then there's the young boy who dreams of becoming a paleontologist. He is in seventh heaven when he wins a trip to the Field Museum in Chicago where there's an almost complete skeleton of a T-Rex on exhibit. The stirring showstopper could also be the heart-warming embrace of a mother and her sick child who are reunited upon the child's return from treatment at an overseas hospital.

"Dreams Do Come True" is a wonderfully entertaining show for the whole family.
