## Extreme Jobs

A high-octane journey through some of the most fascinating and unbelievable jobs in the world. For those wanting a bit more adventure in their lives, this is the ultimate career guide. Using spectacular 3D graphics, this series shows some of the toughest, coolest and exciting jobs you never knew existed. It's about thrilling occupations, and the extraordinary people that have them. "Extreme Jobs" will have viewers gasping in awe as they witness first hand the "day jobs" of others around the globe, who live off adrenaline and walk the walk in the most exotic places, more often than not putting their lives at risk in the process. This series will redefine the theme of "bigger, brighter, bolder" as we go to new heights, new depths and new extremes to deliver a wow factor of massive proportions. "Extreme Jobs" is a fun, dynamic series for a worldwide family audience. Each half hour episode features 3 incredible and breathtaking jobs, from window-cleaning skyscrapers, re-fuelling jets in mid-air, catching Anacondas with bare feet (and hands), to being a lifeboat captain, a rapid response airline anti-terrorist specialist, a Siberian forest fire-fighter or a demolition expert with hundreds of thousands of dollars of dynamite at your fingertips.
